

STRATEGIC PLAN

Our approach to building a world-class and demand driven workforce development system.

OVERALL MISSION

A dynamic region with high-quality jobs where employers have the ability to find the skilled workforce they need to be competitive and job seekers have the skills needed to acquire high-quality jobs.

A local workforce development board that is knowledgeable, action-oriented, and respected as the leader in defining workforce development needs and in creating integrated

solutions for employers, job seekers, students, and the community.

Our Mission

To lead the development and implementation of a highly effective workforce development system in the ten counties of South Central Kentucky in collaboration with business, economic development, education, and community organizations in the labor market area.

GOALS

Strategic Goal 1:

Lead stakeholders in the creation and implementation of a common regional workforce development strategy that has tangible employment and economic growth results.
